

## TOO WEAK TO FIGHT

The "Cambridge" really never down-and-out. His weakened condition, because of overwork, lack of exercise, irregular eating and living demands stimulation to satisfy the cry for a health-giving, appetite and refreshing sleep essential to strength. Three of these capsules each day will put a man on his feet before he knows it, whether his trouble comes from uric acid poisoning, the kidneys, gravel or stones in the bladder, stomach derangement or other ailments that befall the over-zealous American. Don't wait until you are actually down-and-out, but take them today. Your druggist will gladly refund your money if they do not help you. Accept no substitutes. Look for the name GOLD MEDAL on every box. These capsules are the pure, original, imported Haarlem Oil Capsules.

## CITY TO CELEBRATE FOURTH

Afternoon Parade Is Planned to Include Civic and Military Organizations From All Parts of This Section of the State—Automobile and Motorcycle Parade For the Morning—Royal G. Holmes Is Chairman of General Committee.

The executive committee was voted full power to make and carry out all the necessary plans, including the raising of necessary funds, and to select such sub-committees as might be deemed necessary.

Peter Sillas, speaking for Greek societies, said that they had already begun plans for a float, and Edward Crooks mentioned that Greenville was making plans to celebrate the day but he presumed they would join in whatever the city carried out.

The executive committee held a meeting at which chairman of sub-committees were named each to fill out his committee as he deems best. Another meeting of the executive committee is to be held Wednesday evening at 8.30 in the square room of the police headquarters.

The following were the sub-committee chairmen selected:

Finance, William F. Hill, Invitation, Frank Clish, Publicity, Frank B. Hazard, Transportation, Peter Sillas, Program, Asa Adams, Music, Royal G. Holmes, Floats, Rev. J. N. Rosenberg, Amusement, Martin Rozzycki, Reception, Michael J. Malone, Automobile and motorcycle parade in the morning, Louis Greaser.

The local representatives of the Council of Defense have volunteered their assistance and will be called upon by the executive committee for all necessary help.

It is realized that fast work will be required to push the plans along to success as the time is short between now and the Fourth of July, but all the members of the committee are enthusiastic and promise to devote their best energies to the consummation of whatever is attempted.

The general committee named by Mayor Desmond comprised the following: Theodore Levitsky, Herbert R. Clark, Stephen J. Keane, Royal G. Holmes, Joseph B. Goss, Francis Clish, Michael J. Malone, Cornelius J. Downes, John Dresher, Herman Alesin, 2nd, Abner Schwartz, Rev. Joseph Rosenberg, Rev. Max Stamm, Frank R. Howard, Joseph B. Goss, Ted R. SIX SMALLPOX CASES IN NEW LONDON.

State Health Authorities Trace the Original Source of Infection.

The sixth case of smallpox in New London was located on Monday. The cases were discovered by state health officials as the result of the affliction of Charles B. Gardner of New London by the disease last week. Mr. Gardner is at present quarantined at a cottage near the Golden Spur.

Dr. E. T. Reeks, director of the bureau of communicable diseases of Connecticut, declared that Gardner had contracted the disease from Charles Ryley, with whom he came in contact at the New London line wharf, where the latter is assistant delivery clerk for the New England Navigation company. Ryley communicated the disease to his little son and undoubtedly also to Tillotson Daniels, of whom he is a neighbor. The authorities have been unable to ascertain, however, from whom Ryley contracted the disease.

The sixth victim is Edward Canning of 19 Maple avenue, who has been quarantined at his home by the health authorities.

Canning is night driver for the Ockford House company. The Ockford house was fumigated Sunday afternoon.

Health Officer Edwin C. Chipman and the state health authorities are satisfied that Charles Ryley of Cape Ann court is the source of the infection and the Canning case has been traced to the same source.

Dr. Thompson Appointed.

Dr. George H. Thompson has been appointed examining physician in the baby tests which will be held in October, at the New England town connection with the Child Welfare movement in this city.

NOT WITHIN CLASS OF CONSCIENTIOUS OBJECTORS.

Refused Service Because They Were Asked to Fight Against Germany.

Washington, June 17.—In approving sentences ranging from eighteen months to two years' imprisonment imposed by court martial upon twelve privates who refused military service at Camp Upton, New York, and Georgia, Secretary Baker made it plain that the war department does not consider these men as coming within the class of conscientious objectors.

The men refused service solely because they were asked to fight against Germany and Austria, in which countries most of them claimed to have relatives. Since they are not regarded as conscientious objectors, they will not have the right of a review of their cases by the special board appointed to hear appeals of such objectors.

Secretary Baker held with the courts that since the men were citizens of the United States, regularly inducted into service under the selective service law, they were in duty bound to fight for the country and that they could not select the country against which they would bear arms.

DEPARTMENT OF PREVENTIVE MEDICINE AT HARVARD

To Be Opened to Study and Teach Industrial Health.

Cambridge, Mass., June 17.—Supported by large employers of labor in New England, a department of preventive medicine to study and teach industrial health is to be opened at the Harvard School of Medicine at the beginning of the next school year, it was announced today. The aim of the department will be to develop a center to which my employer of labor can apply for expert aid in the solution of problems pertaining to industrial health. Experts connected with the medical school are now engaged in research work along these lines for industrial examination of a national character. The new department expects to expend \$25,000 in its work during the first year.

"GREAT WHITE WAY" ABLAZE IN NEW YORK

Had Been Dimmed as Precaution Against Possible Air Raids.

New York, June 17.—An order permitting resumption of normal street and display lighting, which have been curtailed as a precaution against possible enemy air raids since German submarines became active off the Atlantic coast, was issued by the police department late today. As a result, the metropolitan "Great White Way" blazed tonight with old-time brilliancy.

The order was issued with the approval of Major General William A. Mann of the department of telegraph and telephone.

The police, however, have not dismissed the menace of an attack by airplanes launched from U-boats, and plans are under way to use the sub-
